Footy Day

**Thursday, 15th September**
House Performance Day

**Friday, 16th September**
Last Day of Term 3 – 2pm Finish

**Friday, 16th September**
Interim Reports available online

---

**From the Principal's Desk**

Welcome back to Term 3. I hope everyone had a restful mid-year break and were able to stay warm. If you weren’t able to travel to a warmer climate I am sure you had the heaters turned up and stayed inside. I had the opportunity to spend two weeks visiting both Thailand and Cambodia. Travelling back from 38 to 12 degrees was not an overly pleasant experience! Students have returned this term with smiles on their faces and have settled exceptionally well back into their studies. I hope all students have had an opportunity to reset their educational goals for Semester 2 and I wish them all the success in reaching them.

**New students and Families**

I would like to warmly welcome all of our new students and families to Hazel Glen College. We wish all students a smooth transition and I hope that your educational journey with us is filled with great success and personal achievements. To parents and guardians, we look forward to working collaboratively with you in both supporting and educating your child.

---

Learners today - Leaders tomorrow
Enrolments
Enrolments across the College are continuing at a rapid rate. In particular, Prep enrolments continue to grow. If you are yet to enrol your child, please do so as soon as possible to ensure a place at our College for 2017.

2016 Parent Opinion Survey
The 2016 Parent Opinion Survey will be conducted during Term 3, from 25th July to 5th August, 2016. The survey is an important part of every school’s parent engagement strategies and assists with future planning and improvement. Parents from our community are randomly selected to participate in the annual survey which is confidential and anonymous. If you are contacted to complete the survey, please ensure that you return your completed survey to the college by 5th August. For any queries please contact the college.

Peter Pan Jr. Production
Last week during our whole college assembly (Prep -8) I was blown away by the snapshot performance of our students in the Peter Pan Jr Production. We now eagerly wait to see the full performance on Monday 15th and Tuesday 16th August, at the Plenty Ranges Arts and Convention Centre. A big thank you to Ms. Carruthers and the Performing Arts team for their ongoing commitment in preparing the students during the school holidays. Good luck to all involved. Thank you to the parents who attend the assembly.

Scouts
The amazing new Scouts building opened its doors over the school holidays. All cubs and scout meetings will now be held in the new building. Hazel Glen College OSHC will eventually also run from the Scouts building. Our relationship with Hazel Glen Scouts is another of many of our extended families, we wish them all the very best on the opening of this well awaited space and continue to enjoy our partnership with them.

Stage 2 Building
It is with great excitement that we look forward to the handover of our new Performing Arts and STEAM Centres in the next few months. Building and construction is all running on schedule, I am sure you will agree Hazel Glen College is looking fantastic! This term we will now start to see the arrival of more new portables to accommodate our rapidly growing numbers. Safety fences will be installed around all areas of new development. Staff and students are not allowed onto any construction site. We will continue to watch enthusiastically the development of each of the buildings as they begin to arrive.

Darryl Furze
College Principal

From the Assistant Principal’s Desk (Middle School)
Welcome back to Term 3! I hope you all enjoyed a relaxing holiday and for those of you who stayed in Melbourne, I hope you were able to keep warm in some very cold conditions. We are all looking forward to another very exciting term at Hazel Glen College. I would like to welcome new families to our college community and congratulate all our new and existing students on the way they have settled into the new term. It is great to be back and all our staff are looking forward to a productive and exciting term ahead.
**Reports and Assessment Tasks**

We hope you have all celebrated the successes of your child throughout semester one through sharing their mid semester report. A reminder that the reports remain available on the Parent Portal and can be accessed at any time. Please also be reminded that reports should be read in conjunction with student’s key assessment tasks. Key assessment tasks are set by teachers to allow students an opportunity to demonstrate their understanding of topics taught throughout the semester. These task are explained in detail to the students and, once completed, are returned to students with feedback about their progress and areas for future development. These tasks are available for parents to view in student’s workbooks and at times on their iPad. Our teachers encourage students to share these assessment tasks with parents at home. We also encourage parents to ask students to share these tasks. Our teachers will communicate with you when these tasks are available by sending you a message on the Sentral parent portal. Our Student Led Conferences are being held during week 9 of this term, this will allow you to discuss your child’s progress during semester 2 with your child’s teachers and set goals for Term 4. If you have any concerns about your child’s progress prior to these interviews, please feel free to make an appointment to speak directly with your child’s teacher or communicate with them via our parent portal.

**Assemblies**

Assemblies in the Middle School are held every Thursday during period 5. These assemblies run on a rotational basis. Middle School assemblies involve all Middle School students and are held in the gym. Year Level Assemblies involve the year level only and are run in Year Level classroom areas. House Assemblies are run with house groups across years 5 to 8 and are held in various locations throughout the Middle School. Alerts are sent out to remind parents what assemblies run each week. The outline for the term can also be found on the school app.

**House Performing Arts**

This year we have held 2 major house events, our athletics and cross country carnivals. Goodes house has certainly been hard to beat! This term our House competition is focused around Performing Arts. This involves each house being led by their Head of House and house teachers in creating a small 3-minute production to be performed in front of the entire school. Each house will be judged against a strict criterion by a special judge and a winning house announced. It is an expectation with all our house competitions that all students get involved and embrace the spirit of the event. We look forward to the culmination of our House Performing Arts on Thursday 15th September where all houses will celebrate their hard work by performing in front of their peers in the gym. As this competition involves a lot of hard work and practice, a number of our assemblies during period 5 on Thursday this term will be dedicated to practising for this event. Once again, this will be communicated through our College app.

**Middle School Curriculum – Term 3**

Our teachers continue to work extremely hard to provide an exciting curriculum that ensures our students are engaged in their learning across the Middle School. Our Head of Domain for English Emma Stevenson and Humanities Matt Christie have highlighted a summary of our term 3 curriculum below;

Across English classes in the Middle School students are reading a variety of novels and texts; we are exploring how authors create worlds and characters. Students in Year 8 are studying poetry and examining how Indigenous Dreamtime stories connect with cultural morals. While our Year 6 students are writing and creating news reports. It is shaping up to be a fantastic term in English with Book Week in Week 7.

As part of our study of Humanities, our focus this semester has turned to History. The students across the Middle School will learn more about how people lived in the past, as well as looking at how past civilizations have influenced us today. We will be developing our historical skills by creating timelines of the past and analysing a range of primary sources. The students will also be working very hard to prepare for the upcoming History showcase event later in the year. The teachers are all looking forward to a great semester in Humanities!
Policies
Our College Council Policy Review sub-committee have met throughout this year to review policies before presenting them to College Council for ratification. All ratified policies can be found on our college website by clicking on the ‘College’ tab and then clicking on ‘Policies’. I would like to emphasise our recent Allergy and Anaphylaxis Policy available on the website. This policy has been created and ratified in line with Ministerial Order 706 and many changes have been made to reflect our management of students with Allergies and Anaphylaxis. Please feel free to access and read all our policies online.

Car Parking
Please remember that parking is prohibited in the Middle School staff car park. This is a high traffic area for staff with students and parents also entering and exiting the College on feet, bikes and scooters. We ask for your support in this matter to avoid any accidents.

Anthony Oldmeadow
Assistant Principal– Middle School

From the Assistant Principal's Desk (Junior School)

Welcome Back
We've had a fabulous start to Term 3 and hit the ground running with our learning. Year level newsletters will be coming home next Monday 25th July and will outline the Curiosity units of work being investigated by the students this term.

We have a very busy term coming up so please note the important dates listed at the top of newsletter for your diary. Please check your Year level newsletters for other dates more specific to your child.

Reports and Portfolio Assessment Tasks
During the holidays, we hope that you had the opportunity to sit down with your child and share the learning that was evident in the student portfolio. The teachers and students spend a huge amount of time throughout the semester working on assessment tasks to showcase their learning. Portfolio assessment tasks are set by teachers to allow students an opportunity to demonstrate their understanding of topics taught throughout the semester. These task are explained in detail to the students and, once completed are returned to students with feedback about their progress and areas for future development. The rubrics on each task include a student self reflection, a teacher assessment and some “Feed Forward” comments. These comments are to support the students to reach their next learning goal. The portfolios and the semester reports are a package, one must be read with the other. A reminder that the reports remain available on the Parent Portal and can be accessed at any time.

Our Student Led Conferences are being held during week 9 of this term. This will allow you to discuss your child’s progress during semester 2 with your child’s teachers and set goals for Term 4. If you have any concerns about your child’s progress prior to these interviews, please feel free to make an appointment to speak directly with any of your child’s teachers or communicate with them via our parent portal.

Prep 100 Day celebration
This coming Monday 25th of July our Preps will be celebrating being at school for 100 DAYS!! What a fantastic achievement. Not only have they grown physically but they have also grown tremendously into our Hazel Glen family. Every day we are greeted with their excited and smiling faces and a visit to the Prep rooms always adds a spark to our day. I’m looking forward to our assembly and celebrating the day with our beautiful Preps and their teachers.
School Readiness Information Night
Last night we held an Information Night on School Readiness at the kinder. Congratulations to Emma Nemer and Charlotte Williams who did a fantastic job explaining the importance of school readiness and offering parents lots of tips and strategies to use with their young children. We are certainly fortunate to have such knowledgeable staff at Hazel Glen College.

Junior School Ride2School Day
Hazel Glen College is launching our Active Paths in conjunction with Bicycle Network and St Paul the Apostle on Tuesday 9th August. Active paths are markers along the footpath that promote a safe travel route to the College. The paths will be strategically placed by Bicycle Network to the North, East and West of the College, as these routes are the safest at this point in the development of the Doreen Community. These markers will be on the footpaths by the end of July. The promotion of sustainable transport at Hazel Glen College will help to reduce traffic congestion and increase the health and wellbeing of the students at our College.

We would love to see all of our students walking, riding or scooting to the College on this morning and also encourage the involvement of as many parents/guardians as possible. More details about the day to follow.

Peter Pan
We had a snapshot of our Peter Pan production last week at our whole College assembly. What a talented group of students we have, I can’t wait to see the production in its entirety. Tickets for the production are on sale NOW through TRY booking. [https://www.trybooking.com/LXTZ](https://www.trybooking.com/LXTZ)

House Performances
Our House program is a major part of our life at the College. It strengthens our culture by bringing our students, teachers and community together in a fun way and allows opportunities for students to further explore areas such as Creative and Performing Arts and Sports.

This year we have held 2 major Sporting House events, our Athletics day and our Cross Country. This term our House competition is focused around Performing Arts. This involves each house being led by their Head of House and house teachers in creating a small 3-minute production to be performed in front of the entire School. Each house will be judged against a strict criterion by a special judge and a winning house will be announced. It is an expectation with all our House competitions that all students get involved and embrace the spirit of each event. We look forward to the culmination of our House Performing Arts on Thursday 15th September where we will celebrate their hard work by performing in front of their peers, teachers and parents in the gym. The competition involves plenty of hard work, fun and practise, therefore a number of our Year level assemblies during period 5 on Thursday this term will be dedicated to practising for this event. Once again, this will be communicated through our College app.

Canteen Volunteers
Our canteen needs help! You will have received recently a note asking for you to volunteer in our canteen. This note is also attached to this newsletter. Please try and find some time to help if you are able as the canteen does provide a valuable service to our college community.

Year 3 Camp
Next week our Year 3 students are off to Lady Northcote Recreational camp. The students will be involved in many adventure based activities that have been designed to develop teamwork and communication skills. It will be the first camp for many of our students and they will be very well looked after by our team of wonderful teachers.

Policies
Our College Council Policy Review sub-committee meet throughout the year to review policies before presenting them to College Council for ratification. All ratified policies can be found on our college website by clicking on the ‘College’ tab and then on ‘Policies’. I would like to emphasise our
recent Allergy and Anaphylaxis policy available on the website which has been created and ratified in line with Ministerial Order 706. Many changes have been made to reflect our management of students with Allergies and Anaphylaxis. Please feel free to access and read all our policies online.

Anthea Jamieson  
Assistant Principal - Junior School

From the Kindergarten

Welcome Back
Welcome back to Term 3. The children were very enthusiastic about returning to Kinder. They had lots of news and interesting stories to share. We are beginning the term with investigations centred around animals. The educators are discussing with the children what they want to research and find out about. This will lead into our animal incursion for the 4 year old kinder children next week.

Parent Teacher Interviews
On Monday afternoon and evening the teachers conducted Parent Teacher Interviews with our 4 year old Kinder families. They discussed how the children were progressing and set some goals for semester 2 leading into the children beginning school. The interviews were very well attended by most of the parents.

School Readiness
On Tuesday night we held a School Readiness Information Evening for parents. Charlotte Williams (Educational Leader at the Kinder) and Emma Nemer (Prep Domain Leader) presented a very informative session about preparing your child for school. The session was very well attended and we received positive feedback from parents who attended about how practical and useful the session was.

Kindergarten 2017
First round offers for 4 year old Kindergarten in 2017 have been sent out through the central enrolment scheme by the City of Whittlesea. If you did not receive a place, second round offers will be coming out in a few weeks. Enrolments for 3 year old Kindergarten in 2017 have also closed. Families will be notified by mail if they received a place for their child by the end of August.

Have a great weekend and keep warm,

Debbie Rainbow  
Director – Hazel Glen Kindergarten

Learners today - Leaders tomorrow
First Aid News

Please be advised of the following confirmed cases:

- 1 case of chickenpox in Prep D and 1 in Prep F;
- 2 confirmed cases of Slapped Cheek in 2A; and
- 1 staff member in Year 2 with a case of Shingles.

Please contact me if you have any questions or concerns on 9717 7500.

YEAR 7 IMMUNISATIONS - CHANGE OF DATE

There has been a change to the date last advised for the last of the Year 7 Immunisations for the year - their 3rd dose of HPV. Please note that these will now take place on Wednesday 7th September.

Medications at school

If your child requires any medication whilst at school can you please provide the medication with your child’s name clearly marked on it and in the original packaging. You will also need to complete/sign and date a ‘Medication Authority Form’ to give us permission to administer the medication. The ‘Medication Authority Form’ can be picked up from the Junior School and Middle School First Aid Rooms. We do not keep any Paracetamol or Antihistamines at school for general use.

We also have student medications from camp that requires collecting. We will not send these medications home with your child, can you please collect them.

Asthma

A few weeks ago letters were sent home reminding parents to provide the college with an updated Asthma Action Plan. Can you please visit your local Doctor over the school holidays and provide the College with an updated Asthma Action plan for 2016 at the start of Term 3. Please make an appointment with your doctor to discuss your child’s asthma management and triggers and to get a signed copy of an Asthma Action Plan. Can you please also ensure that if your child has asthma they have their asthma reliever puffer with them at all times whilst at school and excursions and that their medication is within expiry date,

Here is some information on spacers and a video on how to take your reliever medication using the four breath technique.

http://www.asthmaaustralia.org.au/vic/about-asthma/manage-your-asthma/spacers

Allergy Action Plans

Can I please ask all parents who have a child with a confirmed allergy to a food, insect or medication to please consult with their local Medical Practitioner and provide the College with a Green ASCIA Allergy Action Plan and an antihistamine recommended by your Doctor. Note: This action plan is required for individuals who have not been prescribed an adrenaline auto injector.

I have copies of the Green ASCIA Allergy Plan if you need a copy to take to your Doctor. This plan can be collected from the Middle School First Aid Room.

Anaphylaxis

We have many children at the College with severe life threatening food allergies, particularly to nuts. Please refrain from sending your child to school with peanut butter, nutella and whole mixed nuts in their lunch boxes. If you would like further information on food allergies you can visit www.anaphylaxis101.com.au or www.allergy.org.au. There is a great video targeted for 10 – 14 year olds (including those who don’t have food allergies) about food allergies and anaphylaxis. You can watch it here at http://www.mcri.edu.au/schoolinuts

Here is a fantastic short animated instructional video on how to give an EpiPen.

https://www.youtube.com/watch?v=eR1eNpoBj3Y&noredirect=1

Learners today - Leaders tomorrow
Peter Pan – Hazel Glen College Production 2016

Tickets now on sale!

Tickets for Hazel Glen College’s inaugural production are now on sale. Peter Pan tells the story of the boy who never grew up – this exciting production will take us all on a journey to Neverland encountering pirates, fairies and even mermaids! Over 80 cast members from Years 3 -8 will take to the stage in what is sure to be a memorable night.

Performance Dates: Monday 15th August and Tuesday 16th August
Performance Time: 7:00pm
Venue: Yan Yean Theatre, Plenty Ranges Arts and Convention Centre
Approximate show duration: 2 hours, including interval.
Ticket Prices:  
Adults - $25  
Children (16 and under) and Concession - $20

How to purchase tickets
All tickets are to be purchased through the Try Booking website – an excellent system that enables you to select specific performance times and seats in a simple and effective way. After your transaction has been approved, you will receive an online ticket which can be printed and is to be presented upon entry to Plenty Ranges Arts Centre on the night of the production. Please note: Wheelchair accessible seats are Row A only.
For safety reasons, young Children are not permitted to sit on parent’s laps or in the aisles.
This production is recommended for children from the ages of 4 and above.

Here is the direct link to purchase tickets [https://www.trybooking.com/LXTZ](https://www.trybooking.com/LXTZ)

Looking forward to seeing you there!

Sarah Carruthers  
Production Director

Term 3 Clubs

I would like to personally thank the teachers who took time out of their busy schedule to run clubs in Term 2. These same wonderful teachers are continuing their clubs for Term 3 and are excited to see new students join.

HAZEL GLEN SCOUT GROUP

NEW HALL!!!
Construction of our new scout hall was completed over the holidays and came with great excitement as we finally moved in! We are still moving equipment & furniture in & there have been a few teething problems with the alarm system (sorry admin staff!). Let’s just say we have “tested” the emergency lighting, but we are loving our new digs! Meanwhile the scouting program has rolled on with lots of fun in all sections!

LAUNCH OF VENTURER UNIT
We launched our Venturer Unit with thrills & spills at Latitude with 14 enthusiastic young people! It was a great night getting to know each other & learning about what scouting can offer.

RADIO INTERVIEW
If you tuned in to Plenty Valley FM over the holidays you may have heard our group ambassador, Sophie & Scout Daine being interviewed on air by Councillor Christine Stow. They had a fun afternoon learning about the workings of community radio & sharing the scouting message!

CUB LEADERSHIP COURSE
Seven cubs and three leaders from Hazel Glen attended the Nillumbik/Whittlesea district leadership course last weekend. They had the opportunity to meet cubs from other groups, challenge themselves, & hone their leadership skills. Activities included camp cooking, problem solving, construction, knots, games & lots of fun! We look forward to them bringing their new skills back to their packs.

MORE SCOUTING....
Joeys have been working on their “Environment” badge, Cubs went rollerskating with Boroondara district to celebrate 100 years of cub scouts & Scouts invested new Scouts into the troop!

To join the adventure please contact Group Leaders, Jo Coleman on 0417 031 506 or Fiona Adrichem on 0407 138 396 or through our Facebook page “Hazel Glen Scout”
